

Gear Shifting Sounds

Volume 2

By: Skril Studio

Add-on pack for [*Realistic Engine Sounds 2*](#) asset.

Thank you for purchasing Gear Shifting Sounds – Volume 2!

Package includes:

- 80 WAV files of shifting sounds
- Prefabs made for Realistic Engine Sounds 2 packed inside a .unitypackage

Import the prefabs made for Realistic Engine Sounds 2

If you want to use this sound pack with **Realistic Engine Sounds 2** unity asset, import ***RES2_Shifting_Vol2.unitypackage*** into your project to get the prefabs made for *Realistic Engine Sounds 2*. After the import you can find the prefabs here: \Shifting Sounds - Vol2\Assets\Prefabs for RES2

Drag and drop one of the newly imported prefab into a RES2 engine sound prefab.

Importing the *unitypackage* without *Realistic Engine Sounds 2* already being in your project will give errors in the newly imported prefabs.

License

Refer to the license from the store where you purchased this asset, with key points highlighted below:

You can use this asset for unlimited games for both **personal** and **commercial** use.

You may not resell or redistribute the package or any individual file from it in any form!

Additional point: Cannot be used in real products like sound generator for cars, toys, etc! Contact for pricing if you want to use these sound clips for real physical products like vehicles, toys, etc.

Credits

I would like to say a big ***Thank You*** to my friends and customers who allowed me to record their vehicles, or who sent me their own recordings of vehicle engine sounds and other sounds.

Submit your own recordings to me, and I will transform them into complete game ready engine sound packs. Please ensure that your recordings are of good quality, if possible with minimal wind and other unwanted background noises (such as crowds, people talking, etc.). The newly created sound packs might be featured in upcoming add-on sound packs. As a token of appreciation, you will receive a free copy of the final product if your donated recordings are utilized in the creation of new sound pack(s).

Feel free to contact me if you have any questions or suggestions for this asset.

Please write a review for this asset in the Unity Asset Store. Thank you!
